

MATEUS KERN

Looking for opportunities to help companies grow themselves, their products and their infrastructure reliably.
And with a passion for exploring systems and technologies.

SKILLS

Proficient: Linux, Git, Python

Novice: Configuration management, containers (Docker), SQL.

EXPERIENCE

IT Analyst, Bradasul Alimentos, Ivoti, Rio Grande Do Sul — October 2021

First in-house IT person. I provide support, build solutions and act as middle between the company and the Software House that provides our system.

Cashier, Mercado Dallabrida, Ivoti, Rio Grande Do Sul — August - October (Full Time) October - Now (Freelancer) 2021

Improving my communication skills in a consumer facing role.

Baker's Helper, Padaria Cantinho Doce, Ivoti, Rio Grande Do Sul — May - August 2021

Learning to work in a fast paced environment while improving my interpersonal communication skills

Computer technician, Self-employed, Ivoti, Rio Grande Do Sul — January 2012 - April 2020

Computer technician helping consumer and small business with network and software installs, repairs and troubleshoots.

Internship, DigitalDesk, Ivoti, Rio Grande Do Sul — Jan-Mar 2012

Part of the team developing their Windows application that controls the issue of car licenses plates.
